

Margaret River Western Australia

2005 Rosa

Alc/vol: 13% **pH:** 3.4 **TA:** 6.48 gm/L

Residual Sugar: 5gm/L (Dry)

Winemaking:

Named after the district of Rosa Glen, this Rosé style wine is a blend of equal parts Shiraz and Cabernet Sauvignon, with the balance being Merlot. A combination of these free run and pressed juices were blended and cold fermented in stainless steel to maximise fruit vibrancy.

Tasting Note:

The resulting wine displays a delicious balance in flavours of ripe strawberry, raspberry, rose petal and violet, with hints of Turkish delight and redcurrant on the palate.

Food:

Rosa is the ideal aperitif, and perfect for summer picnics.

Selected for export to the UK.
