

ROCKFIELD

MARGARET RIVER

WINE	ROCKFIELD SEMILLON SAUVIGNON BLANC
VINTAGE	2009
REGION	Margaret River, Western Australia
VARIETY	52% Semillon, 48% Sauvignon Blanc
ANALYSIS	Alcohol 12.5%, Residual Sugar: Dry

VINTAGE/WINEMAKING NOTES

The Semillon grapes were picked after the Sauvignon Blanc grapes, producing an ideal blend between the citrus and stone fruit from the Semillon and the gooseberry and guava from the Sauvignon Blanc, whilst maintaining a good herbal balance. Winemaking proceeded in two batches for each variety with partial barrel fermentation. Excellent varietal and regional Margaret River characters feature in this wine. The blend is 52% Semillon to 48% Sauvignon Blanc.

TASTING NOTES

This vibrant wine shows gooseberry, guava, lime, and nettle aromas with a long grapefruit palate and finish. Complexity is enhanced by partial barrel fermentation.

FOOD MATCH

Enjoy with white meats, warm salads and seafood.
