VINTAGE/WINEMAKING NOTES

Fruit was picked from a select block of Semillon vines, chosen for its low crop yield and fruit intensity. The berries were finely pressed to preserve fresh characters, before commencing fermentation in two batches, 50% in new and old oak and 50% in stainless steel using select yeasts. Following a brief period of maturation to enhance complexity the wine was transferred to bottle.

TASTING NOTES

This powerful Semillon exhibits layers of zesty lime, white peach, fresh herbs and spiciness. Smoky aromas combine with vanilla pod, citrus, and melon on the palate.

FOOD MATCH

Enjoy with fresh seasonal seafood, smoked salmon, and matured cheeses.
