VINTAGE/WINEMAKING NOTES

Fruit was selected over our 3 Chardonnay clones to develop this classic, rich Chardonnay. The fruit was fermented using select yeasts in both stainless steel and seasoned barrels. The barrel portions underwent short malolactic fermentation, resulting in a final blend with incredible texture and fruit weight.

TASTING NOTES

This classic unoaked Margaret River Chardonnay exhibits melon, stone fruit and apricot nectar on the nose and palate, with a mineral character adding extra depth and class to the wine.
